

Matching Gifts Mean More Ministry

Many of our friends increase their gifts and provide for more ministry through Matching Gifts programs. Participating companies match designated gifts from employees, retirees or clients dollar-for-dollar—and sometimes two-for-one!

Are your gifts eligible for matching? To find out, contact your company's foundation or contributions administrator.

These are just a few of the companies that match gifts to City Gospel Mission. If you would like to add your company to this list or have any questions please contact City Gospel Mission's Donor Services at 513-345-1027.
