

City Gospel Mission Flying Pig Sponsorship Levels

Relay teams and individual runners from City Gospel Mission's men and women's recovery programs will be training to run in the Cincinnati Flying Pig Marathon.

You can partner with the men and women of City Gospel Mission's recovery programs and at-risk kids from our youth Whiz Kids program as they participate in the 2012 Flying Pig Marathon the weekend of May 5 - May 6.

Please consider sponsoring our runners to help to break the cycle of despair in the lives of Cincinnati's hurting and homeless men, women and youth.
