Your Sponsorship Makes an Impact. Fill out your form today.

Metamorphosis is an experiential fundraising event designed to support the participants of City Gospel Mission's Women's Recovery Program, "Having the Courage to Change."

All proceeds will help transform the lives of women who need a safe, loving place to recover from life-controlling behaviors. Your support provides the warm home environment and care that helps these women gain the confidence, courage and skills to live a life of purpose and hope.

Having the Courage to Change is a residential recovery program. It's not a time-oriented process but a goal-oriented process. A typical stay is twelve to twenty-four months, but the participant's individual goals and treatment plan determine her length of stay.

"When I walked through the doors of CGM, for the first time in my life, I felt like I belonged somewhere. They loved me when I didn't even love myself."

- Amanda, former Heroin addict and graduate of CGM's addiction recovery
