

Sponsor Opportunity: Help Feed the Hungry While Supporting Local High Schools!

Calling all high school football fans! High schools in Greater Cincinnati are joining forces with City Gospel Mission to help feed and care for the homeless and hungry by “Kicking Hunger” again this season!

Started in 2012, Kicking Hunger has raised enough money to provide over 14,000 meals and care to those in need.

How it works:

A participating high school kicker earns money to feed and care for those in need with every point scored during the season through online pledges from friends, family and the community.

By supporting Kicking Hunger through a corporate sponsorship, you will:

- Help feed hungry men, women and children.
- Gain exposure for your brand with local audiences.
- Support your local high schools and assist in building character of young people.
- Demonstrate a sense of community and a corporate culture which values helping others.

Sponsorship Levels:
